BOAT WASH - MARINE 100

Designed specifically for cleaning GRP fibreglass hulls on boats and yachts

Market POO BOAT WASH STANDARD POO BOAT WASH CONCENTRATE For All and poor for the concept of the concept of

BENEFITS

- Versatile hard surface cleaner.
- Environmentally friendly.
- Biodegradable.
- Solvent free.
- Highly concentrated.

PRODUCT SIZES

- 1 litre
- 5 litre

DESCRIPTION

The Wessex formulation lifts off dirt, grime and grease to leave a shiny clean surface on fibreglass (GRP) hulls.

Wessex Boat Cleaner is also effective on:

- · non-slip decks
- metal parts
- railings
- teak decks.

Great at removing scum marks on hulls, black streaks and bird lime. Versatile and effective for superb results. Highly dilutable for great economy and value.

Wessex Boat Wash is a water-based mixture that is fully biodegradable and can be used for cleaning your boat in and out of the water without environmental concerns.

INSTRUCTIONS FOR USE

Effective at dilutions up to 600:1 depending on severity of 'ground in dirt'.

Can be applied by sponge, mop or by pressure washer at all dilutions.

Vehicle Cleaning: Dilute as required up to 600:1 with water for great economy. Can be used with a pressure washer.

Boat Wash: Ideal for removing inlaid dirt from anti-slip surfaces. Can also be used where salt and seagull droppings are a problem. Harmless to aluminium and rubber so can be applied all over the boat

PHYSICAL PROPERTIES

Colour: Yellow.

Appearance: Yellow liquid.
Odour: Characteristic.
Solubility: Soluble in water.
Boiling point: No data available.
Flash point: No data available.
Flammability: Non-flammable.

Density: 1.1 g/cm³

pH: >13.
